GALEON

skydeck

The Galeon 430 Skydeck maintains a distinguishing, sleek look of an express sport yacht with a wide sunroof all while offering the advantages of a flybridge. Enjoy days of cruising adventure and beautiful nights basking in the moonlight. Feel the energy of the 430 Skydeck's athletic grace with powerful twin Volvo Penta D6-435 engines that are the perfect match for the finely tuned hull. Confident control is a Galeon trait and the 430 Skydeck is a perfect reflection of that virtue.

The ingeniously modular cockpit design provides a convenient solution for effectively utilizing space creating an array of layouts in a matter of seconds.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.

The overhead skylight and large hull-side windows make the master stateroom an open and airy environment for relaxing in comfort.

The saloon is a study of uncompromized luxury. Rich wood finishes contrast the plush, supple upholstery.
