The 470 SKYDECK joins the lineup bringing even more innovation to the Galeon Third Generation range. Based on the successful 460 FLY, it shares the same hull design and main deck layout allowing for great space for passengers and activities. With its sleek lines, one can easily mistake it for a hardtop model, and yet it offers a top deck neatly hidden away with a soft roof. Find a complete helm station with space for leisure on the sport flybridge.

The full beam master stateroom affords the ultimate in privacy and comfort with a walk-around queen-size berth, abundant headroom and copious storage to make extended cruises a true pleasure.

The large sweeping windows and single pane windshield provide 360-degree views from the saloon, galley and lower helm. The quality of the finish that all Galeon models are known for, puts you in a world of exceptional luxury, perfect for socializing with friends and family.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.

The sumptuous en suite master head extends the privacy with all the comforts of home.
