GTO

The Galeon 325 GTO is the first in a collection of Grand Touring Outboard powered Galeons designed to astound, to amaze, and to excite your senses while enhancing your connection to the water. Her revolutionary design and features will have you expecting the unexpected.

Inspired by high performance sports cars, the 325's helm is well appointed and ergonomically best in class by far.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.

The cockpit is spacious and well appointed for entertaining day or night, lighting ambiance comes standard!

The cabin feels like that of a much larger Galeon yacht, plenty of natural light with best in class head.
