GALEON
YACHTS
galeonyachts.us

The 425 HTS is a smaller sibling to the Galeon 485 HTS. We have re-invigorated the ever popular express style yacht by eliminating the need for soft curtains while still providing a truly open yacht. Close it up and enjoy the climate controlled cockpit or open the roof, doors, and windows and you can laugh about the old days of fighting canvas to stay dry from the approaching rain shower.

The 425's full-beam, amidships, master stateroom with an en suite head offers excellent privacy and keeps the owner well rested and refreshed

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.
