**The listed performance data is an estimate only based on vessel testing on fresh water with 6 people, full fuel and water and a clean hull bottom. The performance will change based on boating location, vessel loading and maintenance.*

The choice to put the galley on the main deck allows the chef to remain a part of the party while preparing delicious meals for the guests.

An amidships master is extra spacious thanks to its placement within the yacht, which allows the stateroom to take full advantage of the yacht's beam.

When "Beach Mode" is activated, two fold-out terraces greatly enhance the entertainment space in the aft section of the main deck.

Based on the successful hull and sporty propulsion system of the 400 FLY, the 410 HTC offers a sportier silhouette matched with quality interior. Natural light is provided by large windows throughout as well as a sunroof overhead on the main deck. Everyone's favorite feature, "Beach Mode," expands the width of the cockpit deck creating more space for al fresco entertainig.
