The specification measurements are approximate and subject to variance.

**The listed performance data is an estimate only based on vessel testing on fresh water with 6 people, full fuel and water and a clean hull bottom. The performance will change based on boating location, vessel loading and maintenance.*

The cockpit is spacious and well appointed for entertaining day or night, lighting ambiance comes standard!

The cabin feels like that of a much larger Galeon yacht, plenty of natural light with best-in-class head.

Inspired by high performance sports cars, the 335's helm is well appointed and ergonomically best-in-class by far.

The Galeon 335 GTO is the first in a collection of Grand Touring Outboard powered Galeons designed to astound, to amaze, and to excite your senses while enhancing your connection to the water. Her revolutionary design and features will have you expecting the unexpected.

STANDARD FEATURES

 Cabinets, mirrored
 Corian countertop with bowl and chrome faucet
 Extractor fan
 Flooring, molded non-slip
 Lighting, overhead LED
 Outlet, 120V GFI protected

SYSTEMS

Power & Drive Systems

Mercury Verado 2x 350 outboard engines

- Counter rotating
- Propellers (stainless steel)

 Hydraulic steering system
 Trim tabs, interceptor

Bilge

Bilge pumps, automatic electric (2) – forward and aft
 Bilge pumps, high water alarm
 Common drain system

Air Conditioning

Air conditioning with reverse cycle heating, Dometic MarineAir (12,000 BTU) with dual control for interior and helm

Electrical Systems

DC Electrical System (12V)

- Batteries
- Battery charger
- Circuit breakers
- DC main switchboard

 AC Electrical System (120V)

- Shore power, 120V/30A
- AC main switchboard
- Generator, Fischer Panda 3.7 kW diesel with sound shield

Fuel System

Fuel tank, vented
 Fuel filters, (2) engines
 Fuel lines
 Fuel inlet
 Fuel stop valve
 Diesel fuel tank, vented
 Diesel fuel filters, generator (1)
 Diesel fuel lines
 Diesel fuel inlet
 Diesel fuel stop valve

Fresh Water System

Water tank, stainless steel, vented
 Water inlet, stainless steel

Water pump, automatic with filter
 Dockside/shore water connection
 Level indicator

Waste System

Black Water Waste System

- Waste tank, stainless steel, with odor filter, water level sensor, and vented
- Waste pump, electric
- Level indicator and pump switch
- Dockside pumpout fitting – stainless steel
- Overboard waste discharge fitting

OTHER ITEMS

Owner's manual and engine manual
