*The listed performance data is an estimate only based on vessel testing on fresh water with 6 people, full fuel and water and a clean hull bottom. The performance will change based on boating location, vessel loading and maintenance.

Features abound. Fold-out Beach Mode balconies with access from cockpit and deck level. Alfresco dining settee aft.

Loads of glazing along the hull sides combine with massive windows on the main deck to create an airy and futuristic look.

This enormous stateroom provides a comfortable and quiet oasis for the owner when it's time to get away.

The 620 FLY stuns with its dynamic two-tone hull, wide beam, and expansive glazed windows, ensuring breathtaking views and a sunlit main deck. The flybridge offers U-shaped seating, a redesigned wet bar, and an automated sunroof, while an optional fabric awning provides extra shade. At the stern, choose between free-standing sun loungers or a spacious seating zone, creating the ultimate relaxation space.
