fly

The Galeon 420 FLY has a sensational presence with stunning styling that is as contemporary as it is pleasing. The spacious flybridge is ideal for entertaining family and friends. The sheltered cockpit adds an additional al fresco social area that connects nicely with the salon's convertible seating. Underway, the 420 FLY makes a statement with its exemplary performance that is both powerful and agile evoking confidence and pride of ownership.

The Galeon 420 FLY has three different staterooms, including a master that is absolutely massive for this size and class

The yacht's layout includes a step-less entryway from the cockpit into the salon, which helps seamlessly meld the two areas.

The boat has both an open and enclosed helm, the latter of which benefits from air-conditioning and electrically opening side windows.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.
