fly

Every detail of the Galeon 550 FLY conveys the exacting standards and incredible craftsmanship that combines the skills of old-world artisans with the latest boat building technologies. With three decks engineered to maximize opulent space for all on-board to luxuriate in comfort, the elegant and refined Galeon 550 FLY is the epitome of form and function coming together in harmony. Experience a yacht that reflects Galeon's commitment to excellence, experience the 550 FLY.

The fit and finish in the en suite master would be the envy of yachts much larger and more expensive than the 550 FLY.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.

A full galley on the after portion of the main deck enjoys ample amounts of counter space for preparing delicious meals.

While the upper helm is unbeatable for wind-in-your-hair thrills, the lower helm is the place to be should the weather turn snotty.
