htc

The Galeon 430 HTC adorns with luxurious accommodations while emoting the senses with the distinguishable, sleek look of a sport-yacht. She offers a wide opening sunroof over the helm station with automatic port and starboard windows for a very open feel. The sliding aft seat extends the cockpit making the 430 feel like a much larger boat. The master stateroom is full with luxury and privacy with en-suite master bath. Two private guest staterooms provide comfort for family and guests.

The master stateroom also benefits from the natural light provided by a skylight, which of course can be closed when it's time to go to bed.

An overhead skylight, large side windows, and a single-pane windshield combine to drench the salon in natural light.

The yacht's designers went to great pains to ensure that the boat's interior and exterior entertainment areas interplayed with each other expertly.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.

STANDARD FEATURES
